Welcome to the PETstock 2022 Equestrian Victoria Interschool State Championships!

The 2022 competition has some key features and some differences from other years:

- || We still offer the main 4 disciplines of Dressage, Jumping, Show Horse, Combined Training and this year for first the time we are pleased to also introduce Sporting Horse to the event.
- || Saturday is our welcome dinner this year there will be no charge for the dinner and we have some great entertainment planned for the evening. It may not be fancy, but it will be fun!
- || The Infamous Dog Jump event will be back on the Tuesday afternoon/evening! So don't forget to bring that very important member along as well!
- || All awards including the team awards and the coveted Nan Macarthur individual awards will be presented on Wednesday afternoon at the closing presentations. We ideally would love to see as many of you as possible stay for these prestigious awards.
- || This years schedule is spread out a little more per discipline to allow the welfare of the horse to be taken into greater account. It also allows us to schedule more events on sand surfaces where possible so your disciplines may run over multiple days.
- || The Equine Insights tent is back again this year and will be hosting some great educational activations. Riders are encouraged to attend these sessions through the event, you will learn lots as well as be supporting those in our industry who support us. At the final awards presentations will have a couple of special awards for a couple of lucky attendees to say thank you.
- || Stabling and camping bookings will be made online at the time of entry and will only be available for the duration of the show in a block entry price, i.e. 5 nights. Stables are limited and will be first in best dressed. Stables can only be booked for the horses you are entering and cannot be booked for others.
- || Jumpers get excited we have secured one of the countries top course designers to build for you and this year we are aiming to schedule as many classes as we can onto the sand surfaces for you.
- || Dressage riders please note: there is no space in the timetable for Arena familiarisation, please understand this means no one gets an advantage over anyone else.
- || Participation qualifications are such that each rider/horse as a combination must have participated at a calendared Interschool event since the 14th April 2021 up to, and including, 28th March 2022. You do not have to have competed in a specific discipline or achieved qualifying scores. Entries without a participation event will be waitlisted.
- || Volunteers are crucial to the running of this event. The option for riders to pay \$50, at time of entry, to eliminate the need for them to volunteer will be offered. This payment will then be used to subsidize the cost of paid volunteers. Events simply cannot run without the assistance of volunteers.
- || Please check the dates and timetable for events in the schedule before entering keeping in mind the welfare of both the horse and rider when competing in multiple events on the same day.
- || An entry confirmation email will be communicated to all entrants two days prior to the close of entry. It is vital these details are checked as there will be no changes made (to classes, names, horses etc) after the close of entries.
- || The event is aiming where possible to allow good surfaces for everybody, this will mean some events will be on surfaces and some will be on grass due to space limitations. Please refer to the classes schedule to further define this.
- || Gear checking will be conducted by EA stewards throughout the event. EA helmet tagging rules apply to Combined Training and Jumping.
- || Please read the General Rules and Conditions before you enter. It is each rider's responsibility to know the discipline rules.
- || Our unique event merchandise will be available for purchase prior to and during the event.

We are excited to welcome you to the PETstock 2022 Equestrian Victoria Interschool State Championships we hope you have a great time catching up with friends, enjoying your horses, representing your school and above all just being the best version of the person you are!

If you have any questions, please reachout to myself on the details above, otherwise we will see you at Werribee!

When schools do not have a team, riders compete as individuals. School uniform rules apply to individuals as well as teams. Individual riders are able to qualify for the Australian Interschool Championships.

A Receipt of Entry will be communicated. Please check all your entry details on the receipt you receive back from Event Secretary. Errors in names, use of capital letters, email addresses, dates of birth etc. all require considerable time to correct, so please help ensure your entries are accurate.

Riders entering with incorrect details may have their entries returned less the \$50 administration fee. All participation events are checked.

Stallions are NOT permitted at ANY Interschool Event as per the EA National Interschool rules. A rider may nominate to compete with up to three (3) horses at State Championships. Riders need to be aware this may cause schedule clashes that cannot be resolved. Parents are also reminded to consider child and animal welfare when entering classes. Horses can only compete as one rider and horse combination.

General Conditions of Entry

Australian Championships - The National qualifying events are marked by "Nat" in schedule. Riders selected are eligible to represent Victoria at the Australian Championships to be held in Sydney from Monday 26th September to Friday 30th September 2022.

Please see the detailed Equestrian Victoria Interschool Team Selection Policy.

https://www.vic.equestrian.org.au/sites/default/files/EV025%20EV%20Victorian%20Interschool%20Captain%20and%20Team%20Selection%20Policies_V2.pdf

At the Australian Championships riders will be limited to competing in 2 classes, they may still compete on 2 horses, but the limitation of 2 classes per rider will remain. E.g. One horse in 2 levels of Dressage, or Combined Training and 1 Dressage class, Show Horse and 1 Dressage class, 2 horses in 2 different Show Jumping heights. For the purpose of clarity, Class in the Australian Championship schedule refers to 2 Dressage tests at the same level, 3 phases of Show Horse, 3 Show Jumping competitions at the same height and 1 combined Training. Rider combinations may only compete in one Horse Trials level. They may compete in one other class on a different mount.

Qualifications are based on the combination of horse and rider, there will be no substitution the horse or rider in qualified combinations. In the event of qualified or reserve riders being unable to attend the Australian Interschool Equestrian Championships, the remaining places will be filled at the discretion of the Interschool Committee.

Interstate Competitors - Competitors from states other than Victoria are eligible to compete in the Equestrian Victoria Interschool State Championships. As these are interschool event, riders will be representing their schools and therefore will very likely have to qualify in the state jurisdiction of their school.

Parents should ask their schools to confirm if they are very close to the border. It is likely the schools have dealt with these issues before and can provide clarification to parents about their policies on student representation. Interstate competitors will require a letter of permission from their school acknowledging that should an interstate competitor qualify for the Australian Championships, the competitor will represent Victoria at the Australian Interschool Equestrian Championships, and not the state in which they attend school.

Refund Policy and Scratching's - Refunds for scratching prior to the close of entries:

Withdrawal of entries prior to the close of entries will have a refund of entry fees less a \$25 administration fee.

Refunds for scratching after the close of entries:

There will be no refund of entry fees after close of entry, a substitution can only be made within 3 weeks of close of entry subject to the substituted horse /rider being qualified to compete. Scratching's will only be accepted in writing to office@eventsecretary.com.au

Facility fees may be refunded on production of a veterinary or medical certificate (certificates must be received by 5pm Friday 15th April 2022). Requests for refunds of camping and stabling costs will be at their discretion of the Organising Committee.

Refunds for scratching after the commencement of the event: There will be no refund of any event fees after the commencement of the event.

Swabbing/Medication Control - The use of prohibited substances in your horse is not tolerated and riders must be aware that swabbing of horses may occur at random and will be conducted at this event. Any competitor requested by an official steward to attend for sample testing must present to the official Veterinary Surgeon as directed.

Alcohol - As this is an elite sporting event for under age athletes, adults please be mindful of the example you are setting. Any rider under 18 years of age drinking alcohol will be eliminated from the event. It is also an offence to supply alcohol to under age persons and will result in the rider being eliminated.

General Conditions of Entry

Volunteers and Helpers - The running of equestrian events relies heavily on volunteers. At the Interschool Championships, volunteers will include numerous parents and other supporters. Abuse by a rider, parent, or associated person that is aimed at any volunteer or official at an EA Interschool event will not be tolerated. Incidents of this nature will result in the immediate elimination of the rider.

Many of our helpers are experienced, others are not. Be sure to ask for assistance if you are unsure of what to do. To keep the event on time, it is crucial for helpers to report to the Volunteer Coordinator 15 minutes before their scheduled duty begins. Helpers who do not perform their designated duty risk the elimination of their corresponding competitor. It is the responsibility of the rider's designated helper to notify the Volunteer Coordinator and find a replacement if they are unable to fulfil their allocated duty.

We would be grateful if you could please advise whether any helpers or volunteers have specific skills or are Veterinarian, Doctor, Farrier etc.

In 2022 the option to pay \$50, per rider, is offered at time of entry if parents do not wish to perform a volunteer job for a minimum of 2.5 hours. This fee will allow us to employ appropriate persons to fill the roles of volunteers. The event uses the Sign-Up App and will request volunteers to select their preferred jobs at convenient times when the draft draw is released.

Those riders that have not paid the volunteer fee or Signed-up for a job 7 days prior to the start of the competition will need to pay the \$50 volunteer fee prior to the rider competing. You cannot wait until the event, you need to commit to a job or pay the \$50 fee. If you do not report to the volunteer office, on the day, to confirm your job, the rider's points and prizes, qualifications may be withheld. You will be deemed to be in breach of the Conditions of Entry.

Rider Number - Each horse must wear a bridle or saddle number on each side of bridle or saddle cloth. This must be worn at all times. It is also recommended that all horses also wear numbers on their halters whilst in stables and yards, should a horse escape it is an easy identification method for organisers. Competitors are to provide their own number holders. Showing class riders may use a chest number holder.

Gear Check - Gear check and correct gear is the responsibility of the rider however EA Stewards will also be conducting checks. Discipline rules can be found on the EV or EA website. Judges have the right to eliminate a rider if they compete in the incorrect gear.

Dress - Riders are to wear their approved school equestrian uniform. This may be a school shirt and tie, rat catcher and stock with school jumper, polo top or windcheater, light coloured jodhpurs and smooth-soled, low-heeled boots (refer discipline rules). Gloves are compulsory for Dressage, preferably light coloured. Gaiters and long boots may be worn in all disciplines except Show Horse, where top boots and gaiters can only be worn by competitors 18 years and over in rider phases.

Helmets - Riders must wear an approved helmet with the chin strap fastened at all times. Protective headgear must conform with one of the current approved safety standards:

-  Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
-  New Australian standard ARB HS 2012 provided they are SAI Global marked.
-  Current American standards ASTM F1163 (2004a or 04a onwards) provided they are SEI marked, or standard SNELL E2001.
-  Current British standard PAS 015 (1998 or 2011) provided they are BSI Kite marked.
-  Interim European Standard VG1 (01.040: 2014-
-  12) with or without BSI Kitemark.

Scoring

Championship Points - Each phase/test in a class will have 35 points allocated from 1st receiving 35 points down to 35th receiving 1 point. If there are more than 35 riders in a class, they receive no points beyond 35th place.

Championships will be placed 1st to 6th and will be determined based on the points earned across the phases/tests in a class e.g. Points earned in both Novice Dressage tests are added together to determine the Championship. If you enter Show Jumping and jump in 3 phases you will receive the points for every phase where a rider places 1st to 35th. Championship placings, Freestyles and Pas De Deux classes, do not earn points for individual or team awards. Champion points are awarded only where an athlete has completed all phases of a class without elimination or disqualification.

Equality in class placings will be resolved for places 1st to 6th. If equality cannot be resolved, riders will be awarded equal placing and share points. For example, one rider may be awarded 6th place and receive 30 points, two riders may be awarded 7th place so each will be awarded 28.5 points, then the next placed rider would be awarded 9th and 27 points.

Individual Rider and School Points' Allocation - The individual rider points are determined by accumulating only the best 4 scores for each rider. The maximum possible points per rider is 140, the Championship points are not included, only phases/tests. The team points are determined by the best 4 individual riders scores. The maximum possible points a team may score is 560

Combined Training Championship Rules

Scoring System

- As Combined Training runs under Horse Trials rules, riders are placed based on the number of penalties they incur over the 2 phases. The rider with the least penalties when penalties from the dressage and jumping phases are added will be the winner. Dressage penalties are calculated by subtracting the average percentage from 100. The result is always rounded to one decimal point. Jumping penalties are calculated in the normal manner as per Jumping.
- In the case of equal scores for placings in a class, the rider with the best dressage score (least penalties) will be the higher placed. If equality still exists, the closest to the optimum time (under the time set) in the jumping element will be the higher placed. If there is still a tie, then the placings will be shared and the subsequent place not awarded.
- In each class the first placed horse will receive 35 points, second will receive 34 points, third will receive 33 points and so on down to 35th horse receiving 1 point, if there are more than 35 riders in a class, they receive no points beyond 35th place. These points are used to determine Individual and Team Awards.
