

2022 Equestrian Victoria State Interschool Championships Stable Allocations as of 7th April

Riders and Parents

When searching for your info it pays to note - Stables are sorted by School and then by Surname of the person who made the booking.

Other things to note

1. We have done our absolute best to try to address every request. In some instances this may not have been possible. i.e. if you specifically requested a certain stable, it may have not been allocated to you due to how the school allocations worked out.
2. If you cannot see your name on this list, this means you have NOT paid for a Stable. We have reconciled all bookings to payment. We have 1 Stable now left (as of 3rd April) so if you believe you have paid for your stable you need to reach out to us on isv.eventdirector@equestrianvictoria.com.au or **0403 707 299** (please note all emails and calls will be answered after 6pm weekdays due to the committee having normal jobs as well).
3. If you have not booked a stable, all the yards are available to be used at Werribee but are on a first in best dressed system. So there is still horse accommodation options for you. We can take a waitlist as well, however.. this may mean if a stable becomes available it is likely to not be near your campsite at this late stage.
4. If you have any issues with the stable allocations or we missed your note about you wanting to stable next to person ABC please try to refrain from telling us on facebook and rather please pick up the phone or send us an email instead. We will try to help you where we can, but we do ask please remember we are all volunteers doing this to deliver you a great event. So please just try to have your nice voice on when you reach out.
5. If you are staying off site and leaving your horse in a stable please note the following: It is preferable you have a nominated person to watch/check your horse on the grounds and we ask to please provide us this info in case we need to contact whilst you are off site. If you are leaving your float onsite, and you have not booked a campsite for it, you will be directed to park it along the back fence beside the Pony Club grounds, by leaving it there you acknowledge it is at your own risk. We also suggest to mitigate your risk that you lock the tow ball and lock any doors as well. The event cannot be held responsible for any loss whatsoever.

Any enquiries please call or text Clinton - Stable Manager 0402 773 814
