The 2025 competition has some key features:

- All Equestrian Victoria Interschool competitions are governed under Victoria's Child Safe Legislation and Equestrian Australia's Child Safeguarding Policy. It is expected all competitors, parents, judges, volunteers, and any engaged services to participate under these guidelines.
- All EA and EV events are subject to the EA Code of Conduct. The Code of Conduct can be accessed on the EA website via the following link
[https://www.equestrian.org.au/sites/default/files/Equestrian Australia Code of Conduct.pdf](https://www.equestrian.org.au/sites/default/files/Equestrian%20Australia%20Code%20of%20Conduct.pdf)
- It is important that all members understand that the Code of Conduct also covers parents, guardians, and spectators in respect of any activity held or sanctioned by EV or an EA state branch. A key aim of the Code of Conduct is to respect the rights of everyone involved, to abide by all EA rules and requirements, to be fair, considerate, honest and professional in all aspects of the sport.
- Thursday night the Silent Disco and DJ sponsored by Moose Toys. Bookings will be essential
- Friday is our Bunnings Welcome BBQ
- Get prepared for the Kids Fun Night on Saturday
- All awards including the Champion School Team and the Nan Macarthur individual awards will be presented on Sunday afternoon at the closing presentations. We ideally would love to see as many of you as possible stay for these prestigious awards.
- Please check the dates and timetable for events in the schedule before entering, keeping in mind the welfare of both the horse and rider when competing in multiple events on the same day. Riders will be limited to four classes on entry from the following Dressage, Jumping, Combined Training, Show Horse and Sporting Horse. If entering two Dressage levels this will be included as 2 classes. A maximum of 3 efforts per day per horse is permitted according to EA rules.

- Participation qualification – Each rider/horse combination must have participated at an ISV calendared Interschool event since the 10th April 2024 up to, and including, Sunday March 30th 2025. You do not have to have competed in a specific discipline or achieve qualifying scores. The Australian Interschool Championships 2024 are excluded. Registration on the 2024-2025 Rowville Eventing Leaderboard satisfies the participation requirement.
- All riders must be current competitive members of Equestrian Victoria.
<https://www.vic.equestrian.org.au/become-member>
- Please read the General Rules and Conditions before you enter. It is each rider's responsibility to know the discipline rules.
- An entry confirmation will be communicated. It is vital these details are checked as there will be no changes made (to classes, names, horses etc.) after the close of entries.
- Stable, yard and camping bookings will be made online, directly with Boneo Park. Please do not contact Event Secretary. Stable, yard and powered camping bookings will only be available for the duration of the show at a block entry price, i.e. 5 nights. Unpowered camping and the building of yards in designated areas will be free.
- The event Stack Team App may assist in the sharing of stables, yards and powered camp sites. This is up to the entrants to organise and manage. Go to Stack Team App and search for ISV Champs 2025.
- Volunteers are crucial to the running of this event. The option for riders to pay \$75, at time of entry, to eliminate the need for them to volunteer, will be offered. This payment will then be used to subsidise the cost of paid volunteers. Events simply cannot run without the assistance of volunteers. Volunteer jobs cover a range of areas including roles for those less familiar with horses.
- Gear checking will be conducted by EA stewards throughout the event. EA helmet tagging rules apply as per current EA rules to Dressage, Jumping, Combined Training and Sporting Horse. Tagging will be available at the event. Show Horse competitors need to confirm any updated tagging rules in 2025.
- The 2025 Australian Interschool Championships will be run at SIEC Sydney and hosted by NSW, from 25th – 29th September
- Please support our wonderful sponsors. This event could not run without them.

We are excited to welcome you to the **PETstock 2025 Equestrian Victoria Interschool State Championships**. We hope you have a great time catching up with friends, enjoying your horses, and representing your school.

All Abilities riders who may require additional exemptions please see Page 32 & 33

Please Note: - EA Dressage rules exist whereby Exemption Cards must be obtained (for Dressage classes only) to enable riders with a disability to compete on equal terms. Please review the rules regarding Dressage Exemptions to understand the requirements which can be found on the EA website. Please also read these in conjunction with the current EA Dressage rules.

Please indicate on entry and facility booking with Boneo Park if specific camping or horse location is needed.

ENTRIES – All competitors should enter as individuals. A school contact email must be supplied by all entrants to confirm they are endorsed by the school. All riders from the same school are considered to be in that school team. At time of entry all riders must enter their school's name in the correct format. The top four individual riders' scores for each school are considered for the team aggregate score. No composite teams are allowed. If a rider has two horses, then each is treated as a separate combination for point scoring and only one may count in the top 4 riders for the school points. When schools do not have a team, riders compete as individuals. School uniform rules apply to individuals as well as teams. Individual riders are able to qualify for the Australian Interschool Championships. A Receipt of Entry will be communicated. Please check all your entry details on the receipt you receive back from Event Secretary. Errors in names, use of capital letters, email addresses, dates of birth etc. all require considerable time to correct, so please ensure your entries are accurate.

EVIDENCE OF PARTICIPATION TO ENTER STATE CHAMPIONSHIPS – The PETstock 2025 Equestrian Victoria Interschool State Championships require the rider/horse combination to have participated in an ISV calendared Interschool event since 10th April 2024 up to and including 30th March 2025. Entries without a participation event or intent to compete within the qualifying period, will be waitlisted. Riders entering with incorrect details may have their entries returned less the \$50 administration fee. All participation events are checked. Combinations with no participation qualification, and an extraordinary reason for this, may apply to the ISV Committee by close of entry isv@equestrianvictoria.com.au

HORSES – All horses and ponies must be four (4) years of age or over at the time of nomination, based on 1st August birthdate. Stallions are NOT permitted at ANY Interschool Event as per the EA National Interschool rules. A rider may nominate to compete with up to three (3) horses at State Championships. Riders need to be aware this may cause schedule clashes that cannot be resolved. Parents are also reminded to consider child and animal welfare when entering classes. Horses can only compete as one rider and horse combination. There may be exceptions to this rule in All Ability classes.

NUMBER OF CLASSES RIDERS MAY ENTER – Riders entering classes MUST bear in mind the welfare of the rider, horse and the relevant EA rules for the discipline relating to number of starts per day. Riders are only allowed to enter two consecutive Dressage levels on the same horse e.g., Prelim/Novice, Novice/Elem etc. Riders in Show Jumping may only enter one height class per horse. Show Horse riders must choose to compete in one section: Show Horse, Show Hunter or Working Hunter. Combined Training riders may only compete in one class per combination. The total number of classes for a horse rider combination permitted is four.

RESTRICTIONS – PREPARATORY DRESSAGE – Riders entering Preparatory may only participate in Preparatory Dressage, 35cm Combined Training, Sporting Horse, Showing excluding Primary Working Hunter. They may not participate in another Dressage level or Jumping height on any other combination. Riders in Combined Training 35cm and not in Preparatory may compete in SJ45cm and any other applicable Primary class. Riders cannot compete in both Preparatory and Preliminary Dressage. Please note that entries will be checked for compliance.

At State Championships, Preparatory tests are for children in primary school, who are beginners and inexperienced riders. There is no age restriction. Please do not enter these classes if the rider:

- Can canter confidently and independently
- Has ever competed in jumping classes with starting height above 45cm
- Competes regularly and independently in showing classes
- Placed 1st-4th in Preparatory Dressage or a Showing class at any Interschool State Championship or attained a Championship or Reserve Championship in the VEIS Series in Preparatory

CLASS DEFINITIONS – All riders must be enrolled in a registered primary or secondary educational institution. Any Home School riders must be enrolled in an approved State government program. If attending TAFE or VCAL components they must be registered in a secondary school. Primary competition is restricted to athletes up to and including Grade/Year 6. Secondary competition is for those students who are in Years 7-12. Intermediate is for athletes in Year 7, 8 and 9. Senior is for those athletes in Year 10, 11 and 12. Senior and Intermediate divisions are offered in Dressage, Show Jumping, Show Horse and Sporting Horse.

OBJECTIONS AND DISPUTES – No competitors or parents are to directly approach any judges, stewards, course designers or any other officials or volunteers before, during or after the competition with disputes or complaints. Objections must be made in writing to the Organising Committee within thirty (30) minutes of completion of the class giving rise to the objection. A formal protest requires a deposit of \$200.00 that will be forfeited unless the objection is upheld. All protests must be made through the office to be forwarded to the Ground Jury and the decision of the Jury will be final and no other discussions will be entered into. General questions can be asked through the Event Office in relation to errors in results or in relation to the running of the event. We understand that when there is an objection or protest that this is very stressful time for parents, competitors and officials. Please be patient and respectful during this process.

COMPETITION ORDER AND SAFETY MEASURES – In order to ensure that the event runs as close to schedule as possible, we will need the cooperation of all parents and guardians to make sure riders are on time for their classes. Allocated rider times may vary slightly, but the final draw order will not. Stewards and officials are present to help the event run smoothly and on time. For the safety of competitors and spectators, you must obey any directions given by a steward or official.

FIRST AID – This event will have qualified paramedic and additional qualified first aid personnel, relevant to numbers quota, on the grounds at all times whilst competitions are underway. Any attendees with severe medical alerts should include details on entry to enable medical personnel to be informed. Outside competition times there is no first aid available at the venue.

SWABBING/MEDICATION CONTROL – The use of prohibited substances in participating horses is not tolerated and riders must be aware that swabbing of horses may occur at random and will be conducted at this event in accordance with EA State Championships rules. Any competitor requested by an official to attend for sample testing must present to the official Veterinary Surgeon as directed. Parents/Guardians of riders are responsible for compliance.

ALCOHOL – As this is a sporting event for underage athletes, adults please be mindful of the example you are setting. Any rider under 18 years of age drinking alcohol will be eliminated from the event. It is also an offence to supply alcohol to underage persons and will result in the rider being eliminated.

Scoring

CHAMPIONSHIP POINTS – Each phase/test in a class will have 35 points allocated from 1st receiving 35 points down to 35th receiving 1 point. If there are more than 35 riders in a class, they receive no points beyond 35th place.

Championships will be placed 1st to 6th and will be based on the points earned across the phases/tests in a class e.g., Points earned in both Novice Dressage tests are added together to determine the Championship. If you enter Show Jumping and jump in 3 phases you will receive the points for every phase where a rider places 1st to 35th. Championships are awarded only where an athlete has completed all phases of a class without elimination or disqualification.

Equality in class placings will be resolved for places 1st to 6th. If equality cannot be resolved, riders will be awarded equal placing and share points. For example, one rider may be awarded 6th place and receive 30 points, two riders may be awarded 7th place so each will be awarded 28.5 points, then the next placed rider would be awarded 9th and 27 points.

INDIVIDUAL RIDER AND SCHOOL POINTS' ALLOCATION – The individual rider points are determined by accumulating only the best 4 scores for each rider. Rider points must be gained in two or more disciplines. If points are gained in four dressage tests, the lowest performance will be dropped from the rider's overall score. The maximum possible points per rider is 140. The Championship points are not included, only phases/tests. The team points are determined by the best 4 individual rider's scores. The maximum possible points a team may score is 560.

Awards

CLASS AWARDS – All Classes will be placed 1st – 6th

CHAMPIONSHIP AWARDS – All Championships will be placed 1st – 6th with the Champion and Reserve Championship prizes. These presentations will conclude at the end of the individual classes being complete. Scoring will be online for all classes, with daily individual overall scores.

INDIVIDUAL AWARDS

The Nan McArthur Perpetual Trophy

The Nan McArthur Perpetual Trophy will be awarded to the Champion Individual Rider for both Primary and Secondary. The overall individual Primary and Secondary Champion will have points accrued from their best four events only. Rider points must be gained in two or more disciplines. In the case of equality of points, the rider achieving the highest points in the highest levels will be declared champion, i.e., if a Secondary rider wins 2 Prelim tests and 2 x 75cm Jumping events this rider will place lower via the count back than a rider who wins 2 Elementary tests and 2 x 120cm Jumping events. If disciplines cannot be compared the Trophy will be awarded equally.

This award will be presented on the final day of competition at the conclusion of all other presentations. Please plan for this when factoring in your entries and arrival and departure dates. Please note: there will be cumulative results throughout the event.

TEAM AWARDS

Champion, Reserve Champion school with placings to 6th. School Awards will be presented to the best 4 riders from the top school teams on the final day of competition at the conclusion of all other presentations. Please note: there will be cumulative results throughout the event. It is also planned to have a presentation by EV at the winning school after the event.

AUSTRALIAN CHAMPIONSHIPS – The National qualifying events are marked by “National” in the schedule. Riders selected are eligible to represent Victoria at the Australian Championships being held in Sydney from 25 -29 September.

Please see the detailed [Equestrian Victoria Interschool Team Selection Policy](#).

At the Australian Championships, riders will initially be limited to competing in 2 classes. They may compete on 2 horses, but the limitation of 2 classes per rider will remain. E.g., One horse in 2 levels of Dressage, or Combined Training and 1 Dressage class, Show Horse and 1 Dressage class, 2 horses in 2 different Show Jumping heights. Class in the Australian Championship schedule refers to 2 Dressage tests at the same level, 3 phases of Show Horse, 3 Show Jumping competitions at the same height and 1 Combined Training. Rider combinations may only compete in one Horse Trials level. They may compete in one other class on a different mount.

Qualifications are based on the combination of horse and rider, there will be no substitution of the horse or rider in qualified combinations. In the event of qualified or reserve riders being unable to attend the Australian Interschool Equestrian Championships, the remaining places will be filled according to the Team Selection Policy and at the discretion of the Interschool Committee.

INTERSTATE COMPETITORS – Competitors from states other than Victoria are eligible to compete in the Equestrian Victoria Interschool State Championships. As this is an interschool event, riders will be representing their schools and therefore will very likely have to qualify in the state jurisdiction of their school.

Parents should ask their schools to confirm if they are very close to the border. It is likely the schools have dealt with this before and can provide clarification to parents about their policies on student representation. Interstate competitors who qualify for the Australian Championships will represent Victoria at the Australian Interschool Equestrian Championships, and not the state in which they attend school.

VOLUNTEERS AND HELPERS – The running of equestrian events relies heavily on volunteers. At the Interschool Championships, volunteers will include numerous parents and other supporters. Abuse by a rider, parent, or associated person that is aimed at any volunteer or official at an EA Interschool event will not be tolerated. Incidents of this nature will result in the immediate elimination of the rider. Many of our helpers are experienced, others are not. Be sure to ask for assistance if you are unsure of what to do. To keep the event on time, it is crucial for helpers to report to the Volunteer Coordinator 15 minutes before their scheduled duty begins. Helpers who do not perform their designated duty risk the elimination of their corresponding competitor. It is the responsibility of the rider’s designated helper to notify the Volunteer Coordinator and find a replacement if they are unable to fulfil their allocated duty.

We would be grateful if you could please advise whether any helpers or volunteers have specific skills or are a Veterinarian, Doctor, Farrier etc.

In 2025 the option to pay \$75, per rider, is offered at time of entry if parents do not wish to perform a volunteer job for a minimum of 2.5 hours. This fee will allow us to employ appropriate persons to fill the roles of volunteers. The event uses the Sign-Up App and will request volunteers to select their preferred jobs at convenient times when the draft draw is released. There will be roles for less experienced volunteers.

Those riders that have not paid the volunteer fee or signed-up for a job 5 days prior to the start of the competition will need to pay the \$75 volunteer fee prior to the rider competing. The parent or rider must commit to a job or pay the \$75 fee. If you do not report to the volunteer office, on the day, to confirm your job, the rider’s points and prizes, qualifications may be withheld. You will be deemed to be in breach of the Conditions of Entry.

RIDER NUMBER – Each horse must wear a bridle or saddle number on each side of bridle or saddle cloth. This must be worn at all times. It is also recommended that all horses also wear numbers on their halters whilst in stables and yards. Should a horse escape it is an easy identification method for organisers. Competitors are to provide their own number holders. Showing class riders may use a chest number holder.

Combined Training Championship Rules

The Combined Training will run in accordance with the Current EA National Eventing Rules Annex J <https://www.equestrian.org.au/Eventing-rules>, and offers dressage and jumping phases only.

- Riders are only permitted to compete in one class per horse. The same horse and rider combination must complete both phases of the competition. Elimination from one phase involves elimination from the class.
- Each class will be limited to a maximum of 75 riders based on order of entry and if there are more than 40 entries per class there will be two divisions. A waitlist based on order of entry will be used and places will be offered when withdrawals occur only. Please note, some classes exceeded capacity in 2024.
- Active Eventing riders with 2 or more class MER'S as a combination in the previous 12 months cannot enter Combined Training at a level lower than they received those MER's as a combination. A Minimum Eligibility Requirement is achieved by completing a competition within minimum parameters according to Eventing rules.

- TESTS May not be called. This includes **Preparatory CT 35cm level.**
- **Preparatory riders may only enter Combined Training 35cm.**

SCORING SYSTEM

- As Combined Training runs under Horse Trials rules, riders are placed based on the number of penalties they incur over the 2 phases. The rider with the least penalties when penalties from the dressage and jumping phases are added will be the winner. Dressage penalties are calculated by subtracting the average percentage from 100. The result is always rounded to one decimal point. Jumping penalties are calculated in the normal manner as per Jumping Annex J
- In the case of equal scores for placings in a class, the rider with the best dressage score (least penalties) will be the higher placed. If equality still exists, the closest to the optimum time (under the time set) in the jumping element will be the higher placed. If there is still a tie, then the placings will be shared and the subsequent place not awarded.
- In each class the first placed horse will receive 35 points, second will receive 34 points, third will receive 33 points and so on down to 35th horse receiving 1 point. If there are more than 35 riders in a class, they receive no points beyond 35th place. These points are used to determine Individual and Team Awards.

The first to fourth place getters of the National qualifying events marked by 'National column' are eligible to represent Victoria at the Australian Championships. Where there is one division of the class placing 5th and 6th in those events will be the team reserves. In the event that a class has 2 divisions, the riders placed 1st and 2nd in each division will be selected and riders placed 3rd in each division will be the reserves.
