WELCOME TO THE PETSTOCK 2023 EQUESTRIAN VICTORIA INTERSCHOOL STATE CHAMPIONSHIPS!

The 2023 competition has some key features:

- ◆ All Equestrian Victoria Interschool competitions are governed under Victoria's Child Safe Legislation and Equestrian Australia's Child Safeguarding Policy. It is expected all competitors, parents, judges, volunteers, and any engaged services to participate under these guidelines.
- ◆ All EA and EV events are subject to the EA Code of Conduct (Code of Conduct). The Code of Conduct can be accessed on the EA website via the following link
http://www.equestrian.org.au/sites/default/files/Equestrian_Australia_Code_of_Conduct.pdf
- ◆ It is important that all members understand that the Code of Conduct also covers parents, guardians, and spectators in respect of any activity held or sanctioned by EV or an EA state branch. A key aim of the Code of Conduct is to respect the rights of everyone involved, to abide by all EA rules and requirements, to be fair, considerate, honest and professional in all aspects of the sport.
- ◆ Saturday is our Rider Welcome BBQ. There will be no charge for the riders. Thank you to our wonderful sponsor AE Equestrian and Farming Products.
- ◆ The Dog Jump event will be back on the Tuesday. So don't forget to bring that very important member along as well! Remember dogs must be kept on leads and out of horse areas including the indoor.
- ◆ A Movie Night will take place on the Monday night. The choice of movie will be determined closer to the event.
- ◆ All awards including the champion School Team and the Nan Macarthur individual awards will be presented on Wednesday afternoon at the closing presentations. We ideally would love to see as many of you as possible stay for these prestigious awards.
- ◆ Please check the dates and timetable for events in the schedule before entering keeping in mind the welfare of both the horse and rider when competing in multiple events on the same day.
- ◆ Participation qualification – Each rider/horse combination must have participated at an ISV calendared Interschool event since the 14th April 2022 up to, and including, 26th March 2023. You do not have to have competed in a specific discipline or achieve qualifying scores. Combinations with no participation qualification and an extraordinary reason for this may apply to the ISV Committee by close of entry – isv@equestrianvictoria.com.au
- ◆ All riders must be current members of Equestrian Victoria. <https://www.vic.equestrian.org.au/become-member>
- ◆ Please read the General Rules and Conditions before you enter. It is each rider's responsibility to know the discipline rules.
- ◆ An entry confirmation will be communicated with a further email to all entrants just prior to the close of entry. It is vital these details are checked as there will be no changes made (to classes, names, horses etc.) after the close of entries.
- ◆ The Committee has aimed to maintain entry costs at 2022 levels.
- ◆ Stabling and camping bookings will be made online at the time of entry and will only be available for the duration of the show in a block entry price, i.e. 5 nights. Stables and powered camping are limited and taken in entry order. Stables can only be booked for the horses you are entering and cannot be booked for others. Private arrangements may be made to share stables. Yards and unpowered camping in designated areas will be free.

- ◆ The event app may assist in the sharing of stables and powered camp sites. This is up to the entrants to organise and manage.
- ◆ Volunteers are crucial to the running of this event. The option for riders to pay \$50, at time of entry, to eliminate the need for them to volunteer will be offered. This payment will then be used to subsidize the cost of paid volunteers. Events simply cannot run without the assistance of volunteers.
- ◆ The event is aiming, where possible, to allow good surfaces for everybody. Please refer to the classes schedule for details.
- ◆ Gear checking will be conducted by EA stewards throughout the event. EA helmet tagging rules apply to Dressage, Jumping, Combined Training and Sporting Horse. Tagging will be available at the event.
- ◆ The 2023 Australian Interschool Championships will be run at WPNEC from 28th September to 2nd October.
- ◆ Event Merchandise – Unique event merchandise for the PETstock 2023 Equestrian Victoria Interschool State Championships will be available for purchase prior to and during the event. It may be directly purchased by the competitor online via <https://www.twentysixseven.net.au/>
- ◆ Further details on merchandise opening dates will be communicated in due course.

We are excited to welcome you to the PETstock 2023 Equestrian Victoria Interschool State Championships. We hope you have a great time catching up with friends, enjoying your horses, and representing your school.

Consequently, there is a real risk of damage to property, serious injury or even death. In consideration of acceptance of your entry and participation in the event you agree to release and forever discharge EA, EV, their servants and agents and the Organising Committee and each member thereof from all claims, proceedings or demands for any loss or damage howsoever arising from any accident or incident occurring at the event.

and without your entitlement to any remuneration or compensation now or in the future. The images may be used by EV in multimedia productions, publications, brochures and on the website to promote a range of initiatives for EV. EV agrees not to use any image that may be deemed adverse, or defamatory to the person entering this event. Any restrictions or special circumstances, in regard to a competitor must be noted on entry, to enable the Organising Committee to inform any official photographers prior to the commencement of competition.

By entering this event you agree to abide by COVID-19 rules in effect at time of event. All persons attending the event will be expected to familiarise themselves with these rules before attending.

RIDERS WITH A DISABILITY – This event is open to all riders from all schools. EA wants to create opportunities for all people with physical or visual impairments to compete and achieve their goals in equestrian sport.

PLEASE NOTE: - EA Dressage rules exist whereby exemption cards must be obtained (for Dressage classes only) to enable riders with a disability to compete on equal terms. Please review the rules regarding Dressage Exemptions to understand the requirements which can be found on the EA website. Please also read these in conjunction with the current EA Dressage rules in effect at the time of entering. If you are entering a rider with a physical or visual impairment who requires assistance at the event, we ask this is communicated at time of entry.

ENTRIES – All competitors should enter as individuals. A school contact email must be supplied by all entrants to confirm they are endorsed by the school. All riders from the same school are considered to be in that school team. At time of entry all riders must enter the school name in the correct format. The top four individual rider's scores for each school are considered for the team aggregate score. No composite teams are allowed. If a rider has two horses, then each is treated as a separate combination for point scoring and only one may count in the top 4 riders for the school points. When schools do not have a team, riders compete as individuals. School uniform rules apply to individuals as well as teams. Individual riders are able to qualify for the Australian Interschool Championships.

A Receipt of Entry will be communicated. Please check all your entry details on the receipt you receive back from Event Secretary. Errors in names, use of capital letters, email addresses, dates of birth etc. all require considerable time to correct, so please ensure your entries are accurate.

EVIDENCE OF PARTICIPATION TO ENTER STATE CHAMPIONSHIPS – The PETstock 2023 Equestrian Victoria Interschool State Championships require the rider/horse combination to have participated in an ISV calendared Interschool event since 15th April 2022 up to and including 26th March 2023. Entries without a participation event or intent to compete within the qualifying period, will be waitlisted. Riders entering with incorrect details may have their entries returned less the \$50 administration fee. All participation events are checked. Combinations with no participation qualification, and an extraordinary reason for this, may apply to the ISV Committee by close of entry (isv@equestrianvictoria.com.au)

HORSES – All horses and ponies must be four (4) years of age or over at the time of nomination, based on 1st August birthdate. Stallions are NOT permitted at ANY Interschool Event as per the EA National Interschool rules. A rider may nominate to compete with up to three (3) horses at State Championships. Riders need to be aware this may cause schedule clashes that cannot be resolved. Parents are also reminded to consider child and animal welfare when entering classes. Horses can only compete as one rider and horse combination.

NUMBER OF CLASSES RIDES MAY ENTER – Riders entering classes MUST bear in mind the welfare of the rider, horse and the relevant EA rules for the discipline relating to number of starts per day. Riders are only allowed to enter two consecutive Dressage levels on the same horse e.g. Prelim/Novice, Novice/Elem etc. Riders in Show Jumping may only enter one height class per horse. Show Horse riders must choose to compete in one section: Show Horse, Show Hunter or Working Hunter. Combined Training riders may only compete in one class per combination.

RESTRICTIONS – PREPARATORY DRESSAGE – Riders in these classes may participate only in Preparatory Dressage, 35cm Combined Training, Sporting Horse, Showing excluding Primary Working Hunter. They may not participate in another dressage level or jumping height on any other combination. Riders in Combined Training 35cm and not Preparatory may compete in SJ45cm and any other applicable Primary class. Riders cannot compete in both Preparatory and Preliminary Dressage. Please note that entries will be checked for compliance

Preparatory tests are for children in primary school, who are beginners and inexperienced riders. There is no age restriction. Please do not enter these classes if the rider:

- ◆ Has ever competed in jumping classes with starting height above 45cm
- ◆ Competes regularly and independently in showing classes
- ◆ Placed 1st-6th in Preparatory Dressage or a Showing class at any Interschool State Championship or attained a Championship or Reserve Championship in the VEIS Series in Preparatory

CLASS DEFINITIONS – All riders must be enrolled in a registered primary or secondary educational institution.

Primary competition is restricted to athletes up to and including Grade/Year 6.

Secondary competition is for those students who are in Years 7-12. Intermediate is for athletes in Year 7, 8 and 9.

Senior is for those athletes in Year 10, 11 and 12.

Senior and Intermediate divisions offered in Dressage, Show Jumping, Show Horse and Sporting Horse.

OBJECTIONS AND DISPUTES – No competitors or parents are to directly approach any judges, stewards, course designers or any other officials or volunteers before, during or after the competition with disputes or complaints. Objections must be made in writing to the Organising Committee within thirty (30) minutes of completion of the class giving rise to the objection. A formal protest requires a deposit of \$200.00 that will be forfeited unless the objection is upheld. All protests must be made through the office to be forwarded to the Ground Jury and the decision of the Jury will be final and no other discussions will be entered into. General questions can be asked through the Event Office in relation to errors in results or in relation to the running of the event. We understand that when there is an objection or protest that this is very stressful time for parents, competitors and officials. Please be patient and respectful during this process.

COMPETITION ORDER AND SAFETY MEASURES – In order to ensure that the event runs as close to schedule as possible, we will need the cooperation of all parents and guardians to make sure riders are on time for their classes. Allocated rider times may vary slightly, but the final draw order will not. Stewards and officials are present to help the event run smoothly and on time. For the safety of competitors and spectators, you must obey any directions given by a steward or official.

FIRST AID – This event will have onsite at all times whilst competitions are underway, a qualified paramedic and additional qualified first aid personnel relevant to numbers quota on the grounds. Any attendees with severe medical alerts should include details on entry to enable medical personnel to be informed.

SWABBING/MEDICATION CONTROL – The use of prohibited substances in participating horses is not tolerated and riders must be aware that swabbing of horses may occur at random and will be conducted at this event. Any competitor requested by an official steward to attend for sample testing must present to the official Veterinary Surgeon as directed. Parents/Guardians are responsible for compliance.

ALCOHOL – As this is a sporting event for under age athletes, adults please be mindful of the example you are setting. Any rider under 18 years of age drinking alcohol will be eliminated from the event. It is also an offence to supply alcohol to under age persons and will result in the rider being eliminated.

SCORING

CHAMPIONSHIP POINTS – Each phase/test in a class will have 35 points allocated from 1st receiving 35 points down to 35th receiving 1 point. If there are more than 35 riders in a class, they receive no points beyond 35th place.

Championships will be placed 1st to 6th and will be based on the points earned across the phases/tests in a class e.g. Points earned in both Novice Dressage tests are added together to determine the Championship. If you enter Show Jumping and jump in 3 phases you will receive the points for every phase where a rider places 1st to 35th. Championships are awarded only where an athlete has completed all phases of a class without elimination or disqualification.

Equality in class placings will be resolved for places 1st to 6th. If equality cannot be resolved, riders will be awarded equal placing and share points. For example, one rider may be awarded 6th place and receive 30 points, two riders may be awarded 7th place so each will be awarded 28.5 points, then the next placed rider would be awarded 9th and 27 points.

INDIVIDUAL RIDER AND SCHOOL POINTS' ALLOCATION – The individual rider points are determined by accumulating only the best 4 scores for each rider. Rider points must be gained in two or more disciplines. If points are gained in four dressage tests, the lowest performance will be dropped from the rider's overall score. The maximum possible points per rider is 140. The Championship points are not included, only phases/tests. The team points are determined by the best 4 individual rider's scores. The maximum possible points a team may score is 560.

AWARDS

CLASS AWARDS – All Classes will be placed 1st – 6th

CHAMPIONSHIP AWARDS – All Championships will be placed 1st – 6th with the Champion and Reserve Championship prizes. These presentations will conclude at the end of the individual classes being complete. Scoring will be online for all classes, with daily individual overall scores.

INDIVIDUAL AWARDS

The Nan McArthur Perpetual Trophy

The Nan McArthur Perpetual Trophy will be awarded to the Champion Individual Rider for both Primary and Secondary. The overall individual Primary and Secondary Champion will have points accrued from their best four events only. Rider points must be gained in two or more disciplines. In the case of equality of points, the rider achieving the highest points in the highest levels will be declared champion, i.e. if a Secondary rider wins 2 Prelim tests and 2 x 75cm Jumping events this rider will place lower via the count back than a rider who wins 2 Elementary tests and 2 x 120cm Jumping events.

This award will be presented on the final day of competition at the conclusion of all other presentations. Please plan for this when factoring in your entries and arrival and departure dates. Please note: there will be cumulative results throughout the event.

TEAM AWARDS

This award will be presented to the best 4 riders from the top 3 school teams on the final day of competition at the conclusion of all other presentations. Please plan for this when factoring in your entries and arrival and departure dates. Please note: there will be cumulative results throughout the event.

SPIRIT AWARDS

Throughout the event, prizes will be presented for best Spirit displayed by individual riders or school teams. These will be awarded on factors such as general sportsmanship, interaction with peers, support of teammates, and participation level of volunteering.

Please note: these awards will be judged by Members of the Ground Jury. These awards may be presented each day at the conclusion of all other presentations

AUSTRALIAN CHAMPIONSHIPS – The National qualifying events are marked by “National” in the schedule. Riders selected are eligible to represent Victoria at the Australian Championships to be held in Melbourne from Thursday 26th September to Monday 1st October 2023.

The Intermediate SJ80cm and CT2* 115cm classes have not yet been ratified by the National Interschool Committee, yet to be reformed by EA. The classes must be approved for the Australian Championships in September. More details will be known before the close of entry. If riders enter the above classes and they are not approved at a National level, riders will be offered the options noted in the discipline sections of the schedule.

Please see the detailed [Equestrian Victoria Interschool Team Selection Policy](#).

At the Australian Championships, riders will be limited to competing in 2 classes. They may compete on 2 horses, but the limitation of 2 classes per rider will remain. E.g. One horse in 2 levels of Dressage, or Combined Training and 1 Dressage class, Show Horse and 1 Dressage class, 2 horses in 2 different Show Jumping heights. For the purpose of clarity, Class in the Australian Championship schedule refers to 2 Dressage tests at the same level, 3 phases of Show Horse, 3 Show Jumping competitions at the same height and 1 Combined Training. Rider combinations may only compete in one Horse Trials level. They may compete in one other class on a different mount.

Qualifications are based on the combination of horse and rider, there will be no substitution of the horse or rider in qualified combinations. In the event of qualified or reserve riders being unable to attend the Australian Interschool Equestrian Championships, the remaining places will be filled according to the Team Selection Policy and at the discretion of the Interschool Committee.

INTERSTATE COMPETITORS – Competitors from states other than Victoria are eligible to compete in the Equestrian Victoria Interschool State Championships. As this is an interschool event, riders will be representing their schools and therefore will very likely have to qualify in the state jurisdiction of their school.

Parents should ask their schools to confirm if they are very close to the border. It is likely the schools have dealt with these issues before and can provide clarification to parents about their policies on student representation. Interstate competitors will require a letter of permission from their school acknowledging that should an interstate competitor qualify for the Australian Championships, the competitor will represent Victoria at the Australian Interschool Equestrian Championships, and not the state in which they attend school.

VOLUNTEERS AND HELPERS – The running of equestrian events relies heavily on volunteers. At the Interschool Championships, volunteers will include numerous parents and other supporters. Abuse by a rider, parent, or associated person that is aimed at any volunteer or official at an EA Interschool event will not be tolerated. Incidents of this nature will result in the immediate elimination of the rider.

Many of our helpers are experienced, others are not. Be sure to ask for assistance if you are unsure of what to do. To keep the event on time, it is crucial for helpers to report to the Volunteer Coordinator 15 minutes before their scheduled duty begins. Helpers who do not perform their designated duty risk the elimination of their corresponding competitor. It is the responsibility of the rider's designated helper to notify the Volunteer Coordinator and find a replacement if they are unable to fulfil their allocated duty.

We would be grateful if you could please advise whether any helpers or volunteers have specific skills or are Veterinarian, Doctor, Farrier etc.

In 2023 the option to pay \$50, per rider, is offered at time of entry if parents do not wish to perform a volunteer job for a minimum of 2.5 hours. This fee will allow us to employ appropriate persons to fill the roles of volunteers. The event uses the Sign-Up App and will request volunteers to select their preferred jobs at convenient times when the draft draw is released.

Those riders that have not paid the volunteer fee or signed-up for a job 5 days prior to the start of the competition will need to pay the \$50 volunteer fee prior to the rider competing. You cannot wait until the event, you need to commit to a job or pay the \$50 fee. If you do not report to the volunteer office, on the day, to confirm your job, the rider's points and prizes, qualifications may be withheld. You will be deemed to be in breach of the Conditions of Entry.

RIDER NUMBER – Each horse must wear a bridle or saddle number on each side of bridle or saddle cloth. This must be worn at all times. It is also recommended that all horses also wear numbers on their halters whilst in stables and yards.

Should a horse escape it is an easy identification method for organisers. Competitors are to provide their own number holders. Showing class riders may use a chest number holder.

GEAR CHECK – Gear check and correct gear is the responsibility of the rider, however, EA Stewards will also be conducting checks. Discipline rules can be found on the EV or EA website. Judges have the right to eliminate a rider if they compete in the incorrect gear.

DRESS – Riders are to wear their approved school equestrian uniform. This may be a school shirt and tie, rat catcher and stock with school jumper, polo top or windcheater, light coloured jodhpurs and smooth-soled, low-heeled boots (refer discipline rules). Gloves are compulsory for Dressage, preferably light coloured. Gaiters and long boots may be worn in all disciplines except Show Horse, where top boots and gaiters may only be worn by competitors 18 years or over.

HELMETS – Riders must wear an approved helmet with the chin strap fastened at all times. Protective headgear must conform with one of the current approved safety standards:

- ◆ Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
- ◆ New Australian standard ARB HS 2012 provided they are SAI Global marked.
- ◆ Current American standards ASTM F1163 (2004a or 04a onwards) provided they are SEI marked, or standard SNELL E2001.
- ◆ Current British standard PAS 015 (1998 or 2011) provided they are BSI Kite marked.
- ◆ Interim European Standard VG1 (01.040: 2014-12) with or without BSI Kitemark.

Riders in Dressage, Jumping, Combined Training and Sporting Horse must have their helmet tagged with a current visible, yellow EA 'helmet tag'. Show Horse classes do not require tagging until July 1st 2023.

IMPORTANT ETIQUETTE - Please respect other riders and horses by not yelling, running or interrupting when they are competing or in the stable or warm-up areas. Remember to pass riders left side to left side in warm up arenas. Spectators must enter the indoor arenas quietly or wait until the competitor is finished. Dogs are not permitted in the indoor arenas unless they are part of the competition.

VENUE CONDITIONS ADDITIONAL FEES, CAMPING, STABLES AND YARDS

ADMINISTRATION FEE AND FACILITY FEE – A \$25 medical fee and a non-refundable \$50 administration fee will be applied to every rider. The WPNEC facility fee of \$16 per horse is compulsory and will automatically be charged based on days you are onsite at time of entry.

STABLES – At the time of entry online via Event Secretary, you need to book your stable. Stables are limited and will only be offered as a FLAT RATE of \$330 for the duration of the competition event days. The stable fee includes:

- ◆ 6 initial bales of shavings value \$81
- ◆ Cleaning Fee value \$35

Competitors may purchase extra bale of shavings for \$13.50 each by contacting WPNEC directly.

There will be no stable/camp site changeovers during the event booked or managed by the Organising Committee. If riders wish to arrange sharing of the stable for the booked period, they will need to make a private arrangement with another rider and manage any changeovers. Schools may see this as an option to share stables.

Organising Committee members who have riders will get priority booking for stables and camping, no other exceptions will be allowed.

YARDS – For competitors who do not book stables, yards will be available free of charge for the duration of the competition events days.

- ◆ We cannot offer advanced bookings for yards.
- ◆ Yards will be available on a first come, first served basis at the time of the event. Yards must be cleaned on departure.

- ◆ You may book and pay for shavings prior to your arrival at WPNEC. No straw is to be used.
- ◆ Do not block off large sections of the yards making access difficult for later arrivals.

CAMPING – Due to the cost of having to bring in generators, only limited power sites will be available. Camping will be charged a \$150 Camping Flat Rate for the duration of the event. This fee covers camping regardless of whether you wish to camp for 1 night or multiple nights. PLEASE NOTE: it will be compulsory to say yes or no to camping at time of entry. Unpowered camping, in designated areas, will be available at this event. Sharing of camp sites should be arranged privately
