- All EA and EV events are subject to the [EA Code of Conduct](#).
- It is important that all members understand that the Code of Conduct also covers parents, guardians, and spectators in respect of any activity held or sanctioned by EV or an EA state branch. The Code of Conduct aims to respect the rights of everyone involved, to abide by all EA rules and requirements, to be fair, considerate, honest and professional in all aspects of the sport. Parent/Guardian will be required to sign the event Code of Conduct at check in.
- Wednesday night Karaoke
- Thursday night Hobby Horse Jumping and Fashions of the Field
- Friday Welcome BBQ Live Music
- Saturday Kids Carnival Night
- All awards, including the Champion School Team and the Nan Macarthur individual awards, will be presented on Sunday afternoon at the closing presentations. We ideally would love to see as many of you as possible stay for these prestigious awards.
- Please check the dates and timetable of events in the schedule before entering, keeping in mind the welfare of both the horse and rider when competing in multiple events on the same day. Riders will be limited to 4 classes on their first horse, up to 8 classes on two horses, and 9 classes, in any combination, on 3 horses from the following: Dressage, Jumping, Combined Training, Show Horse and Novelties.
- If entering two Dressage levels this will be included as 2 classes.
- A maximum of 3 efforts per day per horse is permitted according to EA rules.

PARTICIPATION & QUALIFICATION

- Each rider/horse combination must have participated at an ISV calendared Interschool event since Sunday 13th April 2025 up to, and including, Sunday March 29 2026. You do not have to have competed in a specific discipline or achieve qualifying scores. The State and Australian Interschool Championships 2025 are excluded. Eventing discipline competitors – horse rider combination needs to be registered on QA Leaderboard and competed at an eligible event. Combinations without a participation qualification and an extraordinary reason for this, may formally apply to the ISV Committee by close of entry – isv@equestrianvictoria.com.au.
- All riders must be current competitive members of Equestrian Victoria. [JOIN HERE](#)
- Please read the General Rules and Conditions before you enter. It is each rider's responsibility to know the discipline rules.
- An entry confirmation will be communicated. It is vital these details are checked as there will be no changes made (to classes, names, horses etc.) after the close of entries.
- Stable, yard and camping bookings will be made online, directly with Boneo Park. Please do not contact Event Secretary. Stable, yard and powered camping bookings will only be available for the duration of the show at a block entry price, i.e. 5 nights. Unpowered camping and the building of yards in designated areas will be free but will require a \$10 registration fee.
- The event Stack Team App may assist in the sharing of stables, yards and powered camp sites. This is up to the entrants to organise and manage. Go to Stack Team App and search for ISV Champs 2026.
- Volunteers are crucial to the running of this event. The option for riders to pay \$75, at time of entry, to eliminate the need for them to volunteer, will be offered. This payment will then be used to subsidise the cost of paid volunteers. Events simply cannot run without the assistance of volunteers. Volunteer jobs cover a range of areas including roles for those less familiar with horses.
- Gear checking will be conducted by EA stewards throughout the event. EA helmet tagging rules apply as per current EA rules to Dressage, Jumping, Combined Training and Novelties. Tagging will be available at the event. Show Horse competitors need to confirm any updated tagging rules in 2026.
- The 2026 Australian Interschool Championships will be run at WPNEC and hosted by Victoria, from 27th September-1st October
- Please support our wonderful sponsors. This event could not run without them.

We are excited to welcome you to the Horseland 2026 Equestrian Victoria Interschool State Championships. We hope you have a great time catching up with friends, enjoying your horses, and representing your school.

OBJECTIONS AND DISPUTES

No competitors or parents are to directly approach any judges, stewards, course designers or any other officials or volunteers before, during or after the competition with disputes or complaints. Objections must be made in writing to the Organising Committee within thirty (30) minutes of completion of the class giving rise to the objection. A formal protest requires a deposit of \$200.00 that will be forfeited unless the objection is upheld. All protests must be made through the office to be forwarded to the Ground Jury and the decision of the Jury will be final and no other discussions will be entered into. General questions can be asked through the Event Office in relation to errors in results or in relation to the running of the event. We understand that when there is an objection or protest that this is very stressful time for parents, competitors and officials. Please be patient and respectful during this process.

COMPETITION ORDER AND SAFETY MEASURES

In order to ensure that the event runs as close to schedule as possible, we will need the cooperation of all parents and guardians to make sure riders are on time for their classes. Allocated rider times may vary slightly, but the final draw order will not. Stewards and officials are present to help the event run smoothly and on time. For the safety of competitors and spectators, you must obey any directions given by a steward or official.

FIRST AID

This event will have qualified paramedic and additional qualified first aid personnel, relevant to numbers quota, on the grounds at all times whilst competitions are underway. Any attendees with severe medical alerts should include details on entry to enable medical personnel to be informed. Outside competition times there is no first aid available at the venue.

SWABBING/MEDICATION CONTROL

The use of prohibited substances in participating horses is not tolerated and riders must be aware that swabbing of horses may occur at random and will be conducted at this event in accordance with EA State Championships rules. Any competitor requested by an official to attend for sample testing must present to the official Veterinary Surgeon as directed. Parents/Guardians of riders are responsible for compliance.

ALCOHOL

As this is a sporting event for underage athletes, adults please be mindful of the example you are setting. Any rider under 18 years of age drinking alcohol will be eliminated from the event. It is also an offence to supply alcohol to underage persons and will result in the rider being eliminated.

SCORING

CHAMPIONSHIP POINTS

Each phase/test in a class will have 35 points allocated from 1st receiving 35 points down to 35th receiving 1 point. If there are more than 35 riders in a class, they receive no points beyond 35th place.

Championships will be placed 1st to 6th and will be based on the points earned across the phases/tests in a class e.g., Points earned in both Novice Dressage tests are added together to determine the Championship. If you enter Show Jumping and jump in 3 phases you will receive the points for every phase where a rider places 1st to 35th. Championships are awarded only where an athlete has completed all phases of a class without elimination or disqualification.

Equality in class placings will be resolved for places 1st to 6th. If equality cannot be resolved, riders will be awarded equal placing and share points. For example, one rider may be awarded 6th place and receive 30 points, two riders may be awarded 7th place so each will be awarded 28.5 points, then the next placed rider would be awarded 9th and 27 points.

INDIVIDUAL RIDER AND SCHOOL POINTS' ALLOCATION

The individual rider points are determined by accumulating only the best 4 scores for each rider. Rider points must be gained in two or more disciplines. If points are gained in four dressage tests, the lowest performance will be dropped from the rider's overall score. The maximum possible points per rider is 140. The Championship points are not included, only phases/tests. The team points are determined by the best 4 individual rider's scores. The maximum possible points a team may score is 560.

AWARDS

CLASS AWARDS

All Classes will be placed 1st – 6th

CHAMPIONSHIP AWARDS

All Championships will be placed 1st – 6th with the Champion and Reserve Championship prizes. These presentations will conclude at the end of the individual classes being complete. Scoring will be online for all classes, with daily individual overall scores.

INDIVIDUAL AWARDS

The Nan McArthur Perpetual Trophy

The Nan McArthur Perpetual Trophy will be awarded to the Champion Individual Rider for both Primary and Secondary. The overall individual Primary and Secondary Champion will have points accrued from their best four events only. Rider points must be gained in two or more disciplines. In the case of equality of points, the rider achieving the highest points in the highest levels will be declared champion, i.e., if a Secondary rider wins 2 Prelim tests and 2 x 75cm Jumping events this rider will place lower by count back than a rider who wins 2 Elementary tests and 2 x 120cm Jumping events. If disciplines cannot be compared the Trophy will be awarded equally.

This award will be presented on the final day of competition at the conclusion of all other presentations. Please plan for this when factoring in your entries and arrival and departure dates. Please note: there will be cumulative results throughout the event.

TEAM AWARDS

Champion, Reserve Champion school with placings to 6th. School Awards will be presented to the best 4 riders from the top school teams on the final day of competition at the conclusion of all other presentations. Please note: there will be cumulative results throughout the event.

AUSTRALIAN CHAMPIONSHIPS

The National qualifying events are marked by “National” in the schedule. Riders selected are eligible to represent Victoria at the Australian Championships being held at WPNEC from 27th September- 1st October 2026.

Please see the detailed [**Equestrian Victoria Interschool Selection Policies & Procedures**](#)

At the Australian Championships, riders will be limited to competing in 3 classes. They may compete on 2 horses, but the limitation of 3 classes per rider will remain. Class in the Australian Championship schedule refers to 2 Dressage tests at the same level, 3 phases of Show Horse, 3 Show Jumping competitions at the same height, and 1 Combined Training involving dressage and jumping. Rider combinations may only compete in one Horse Trials level. They may compete in one other class on the same mount subject to horse welfare and the schedule requirements of the hosting state.

Qualifications are based on the combination of horse and rider. There will be no substitution of the horse or rider in qualified combinations. In the event of qualified or reserve riders being unable to attend the Australian Interschool Equestrian Championships, the remaining places will be filled according to the Team Selection Policies and Procedures, and at the discretion of the Interschool Team Manager.

INTERSTATE COMPETITORS

Competitors from states other than Victoria are eligible to compete in the Equestrian Victoria Interschool State Championships. As this is an interschool event, riders will be representing their schools and therefore will very likely have to qualify in the state jurisdiction of their school.

Parents should ask their schools to confirm if they are very close to the border. It is likely the schools have dealt with this before and can provide clarification to parents about their policies on student representation. Interstate competitors who qualify for the Australian Championships will represent Victoria at the Australian Interschool Equestrian Championships, and not the state in which they attend school.

AT THE COMPETITION

VOLUNTEERS AND HELPERS

The running of equestrian events relies heavily on volunteers. At the Interschool Championships, volunteers will include numerous parents and other supporters. Abuse by a rider, parent, or associated person that is aimed at any volunteer or official at an EA Interschool event will not be tolerated. Incidents of this nature will result in the immediate elimination of the rider.

Many of our helpers are experienced, others are not. Be sure to ask for assistance if you are unsure of what to do. To keep the event on time, it is crucial for helpers to report to the Volunteer Coordinator 15 minutes before their scheduled duty begins. Helpers who do not perform their designated duty risk the elimination of their corresponding competitor. It is the responsibility of the rider's designated helper to notify the Volunteer Coordinator and find a replacement if they are unable to fulfil their allocated duty.

We would be grateful if you could please advise whether any helpers or volunteers have specific skills or are a Veterinarian, Doctor, Farrier etc.

In 2026 the option to pay \$75, per rider, is offered at time of entry if parents do not wish to perform a volunteer job for a minimum of 2.5 hours. This fee will allow us to employ appropriate persons to fill the roles of volunteers.

The event uses the Sign-Up App and will request volunteers to select their preferred jobs at convenient times when the draft draw is released. There will be roles for less experienced volunteers.

Those riders that have not paid the volunteer fee or signed up for a job 5 days prior to the start of the competition will need to pay the \$75 volunteer fee prior to the rider competing. The parent or rider must commit to a job or pay the \$75 fee. If you do not report to the volunteer office, on the day, to confirm your job, the rider's points and prizes, qualifications may be withheld. You will be deemed to be in breach of the Conditions of Entry.

Dressage penalties are calculated by subtracting the average percentage from 100. The result is always rounded to one decimal point. Jumping penalties are calculated in the normal manner as per Jumping Annex J
- In the case of equal scores for placings in a class, the rider with the best dressage score (least penalties) will be the higher placed. If equality still exists, the closest to the optimum time (under the time set) in the jumping element will be the higher placed. If there is still a tie, then the placings will be shared and the subsequent place not awarded.
- In each class the first placed horse will receive 35 points, second will receive 34 points, third will receive 33 points and so on down to 35th horse receiving 1 point.
